

The Ultimate Walk-In

Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

Genesis 3:1 (KJV) 

Satan is the most subtle of beings ever created. His biggest deception of all is probably convincing many that he doesn't even exist. You don't fear an enemy you aren't even aware of. Next to that perhaps is the lie that he has no power in this world and we are 'giving glory' to him if we ever discuss him or his kingdom. That is just plain ignorant, because Christ Himself taught us much of what we know about Satan and scripture gives us many glimpses into his character. Was Jesus giving glory to Satan by recounting how He was tempted by him in the desert?

For the word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intents of the heart.

Hebrews 4:12 (KJV) 

So what is a 'walk-in' you ask? It is when another spirit takes over a person's body. In this New Age teaching a person may choose to give up their body to a demon because they no longer want to live. In rare occasions very powerful witches and warlocks can also do this. It is called an **interject**. One woman who was sent to try and demonize me through sex told me her father was such a person and from his nursing home bed could astral project into her body at will.

Some claim that when the elites of this world get old they are able to take possession of a younger body through witchcraft. However scripture tells us that it is appointed unto men to die just once (**Hebrews 9:27 KJV** ). It is interesting to note however just how many Hollywood films out there like "**Freaky Friday**" and "**Heaven Can Wait**" where the topic is two souls switch bodies.

Now, you may be asking yourself, why the heck is he talking about New Age nonsense? Well I'll tell you. At one time I was just like you thinking every single thing in the occult world is pure baloney and all these New Age people are morons for believing such things. But God showed me that I was wrong. Satan does indeed have certain occult powers that he uses against mankind and it would be in our best interests to know at least some of them. This is not to cause fear, but bring about understanding.

While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled.

John 17:12 (KJV) 

Then entered Satan into Judas surnamed Iscariot, being of the number of the twelve.

Luke 22:3 (KJV) 

If we want to separate the joints and marrow we must always go to the Word of God. Strange as it may

seem, in scripture we are in fact given two examples of walk-ins, both of which are done by Satan himself. Interestingly, they are both referred to as the 'son of perdition'. The first case is that of Judas Iscariot. It is not clear whether Judas remained in his own body or his spirit was displaced by Satan when he entered into him. The second 'son of perdition' will be the Antichrist (**2 Thessalonians 2:3 KJV** ). It seems that Satan will enter into the Antichrist after he receives his mortal head wound.

From my research and conversations with former New Agers I have found that walk-ins usually occur when a person is near the point of death. One told me her teacher was a walk-in of a body that was involved in a car crash. Sudden unexpected trauma like car crashes seem to be a common catalyst for this phenomena, however within the MKULTRA training program (which is SRA (Satanic Ritual Abuse) disguised as science) there is a sub project that deals exclusively with intentionally triggering NDEs (Near Death Experiences) as a facility to programming individuals.

Points of Entry

**What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?
1 Corinthians 6:19**  **KJV)**

Notice in the previous verse that our beloved King James Bible tells us Satan 'entered into Judas'. Now for a couple of interesting things to consider here. A demon can enter into a man, and so can the Holy Spirit. Entering in is what we do to a house.

**Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.
Matthew 12:29**  **(KJV)**

Can Christians have demons? According to the above scripture not unless the Holy Spirit has vacated the premises first. It is He who is the 'strong man' of the soul. We see in this passage that there are three states of a man's soul; empty, demon possessed or Holy Spirit filled.

**Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.
Revelation 3:20**  **(KJV)**

For the unrepentant sinner Jesus stands at the door and knocks seeking entry into our hearts. He does not force Himself on us nor does He allow His 'strong man' to be bound. The only way that the strong man can be removed from His place within us is if we defile our bodies (His temple) through sin. Take note that the above verse is from the letter to the Laodicean church which in this last day has become so debased that Christ is no longer in it!

**And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.
Ephesians 4:30**  **(KJV)**

As I've said before, we are always in the driver's seat concerning our souls. Jesus doesn't barge in where He is unwanted, He knocks and patiently waits. Our free wills will never be violated. We can choose to ignore that persistent knocking as millions in Hell will attest to. In addition, once we have the strong man we can choose to ignore His still, small voice, or drown it out with the things of this world.

Or ever the silver cord be loosed, or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern.

Ecclesiastes 12:6 (KJV) 

Similarly with the occult 'walk-in' a person must voluntarily give up his body to a demon in order to pass to the other side. I once had a NDE when I was very ill. For just a few moments I felt myself coming out of my body but was able to 'grab on' to it and step back in like a suit. Did you ever think King Solomon and Shirley MacLaine would have something in common? In her book "Out on a Limb" she describes an out of body experience she had and she was able to see her silver cord as she traveled in her spirit body. Solomon clearly was experimenting with astral projection which is strictly forbidden by God. We can see why he became enamored with the 'strange gods' of his wives.

One final sobering truth to ponder is if Satan was able to take over one of the chosen twelve could he not also take over your pastor, ministry or denomination?
